

Dawn Break (/Breakfast at Timothy's)

INT. STUDIO - DAY

TIMOTHY

Hello and welcome back to *Breakfast at Timothy's*. Recent figures have suggested that sales of personal sex dolls are on the rise. We've invited some people involved with the new social media site 'Inflataball' which brings together recreational users of these dolls, and the outspoken entrepreneur Katie Hoskins, to discuss the implications of this increase.

First, Alexis, from the PR department of Inflataball...could you tell us a little more about the social media site?

ALEXIS sits forward.

ALEXIS

Yes, thank you Tim. Well, erm, 'Inflataball' is ah, first and foremost a COMMUNITY driven website; it's all about connecting like minded people to talk about their hobbies.

TIMOTHY

In this case, sex dolls?

ALEXIS

Ah, well I would object to- this is for people who enjoy sharing pictures and stories of themselves with their inflatable friends; some are collectors...not everyone keeps them for personal use.

DAMIAN

Yeah, it's more like a lifestyle choice y'know like the goth scene, or nerds or kinky bonda-

ALEXIS

Yes, erm, thanks for that Damian. This is Damian the techie expert.

TOBIAS raises a lazy acknowledging hand.

DAMIAN
Salutations my fellow earthlings.

TIMOTHY
So; Damian, Alexis, do
you...practice this hobby
yourselves?

ALEXIS gives a nervous laugh. DAMIAN snorts.

ALEXIS
Well...

DAMIAN
No, no, we are just here to,
connect people who do have this
interest. We felt there was a gap
in the market.

ALEXIS
We feel there's no shame in this,
and we just want to...facilitate
this need.

DAMIAN
I mean hey, we're all freaky weird
perverts deep down really aren't
we? Bronies, plastic dolls...it's
all cool these days.

KATIE HOSKINS tuts and inhales disapprovingly.

DAMIAN leans across ALEXIS to look at KATIE.

DAMIAN (CONT)
What?

KATIE
Well, it's disgraceful isn't it?
We're not all inhabitants of Sodom
and Gomorrah.

DAMIAN
What? What are you on about?

TIMOTHY
Now Katie Hoskins has openly oppos-

KATIE
Here is a prime example of the
destruction of the basic moral
values which right thinking
citizens uphold. To create a

website which validates and
PROMOTES such disgusting
behaviour...I mean, what's next,
social networks for incest and
bestiality?

She opens her hands as if she has made an irrefutable argument.

DAMIAN
You're talking and all I can hear
is 'meh meh meh'. I bet you hate
gay people too.

ALEXIS
It's not about sex...if we could
just keep to the-

KATIE
I don't hate gay people or people
who like rubber dolls, I just don't
think they should be a visible part
of civilised society.

DAMIAN
Yeah, you say all this, but I bet
you've got a Mr Curve stuck to the
wall of your shower.

KATIE
I beg your pardon?

ALEXIS
Damian-

DAMIAN
Bet you're bouncing up and down on
it regularly, now your husband's
fucked off.

DAMIAN (CONT)
Actually, if you want we could put
you in touch with someone who'd get
you a very life-like rubber doll.

DAWN gestures wildly at her throat, telling the people
behind the camera to cut.

TIMOTHY (MOUTHED)
Cut to the weather! Cut to the
weather report!

KATIE

If filthy insults are all you can
come up with then its obvious that
there's no real defence for this
kind of perverted-

TIMOTHY shouts over KATIE.

DAWN HILLYFIELD

So, sex dolls; innocent past time?
Or dangerous pervsion? Let's see
what you say on twitter after the
weather with Jason.

She makes a cutting gesture again, a strained smile glued to
her lips.

CUT TO BLACK.
